

### Applications

- Hospitality
- Retail
- Ticketing
- Queue Management

### Fast and compact

With a high performance 250 mm/s print speed and front exit, the 3-inch CT-E351 blends performance and poise. Its compact and stylish design make it the perfect printer for hospitality and retail point-of-sale.

### Stylish design

The CT-E351 is ideal for premier locations where eye-catching design meets state-of-the-art POS printing. Choose between the pure white and stylish black versions to complement the EPOS system design.

### Easy to use

Thanks to the robust yet user friendly design, the CT-E351 has quick and efficient paper loading, preventing paper jams.

Design meets print

TOMORROW'S PRINTING TODAY

Both models have a USB interface and cash drawer connection. Simply choose between either a RS232 Serial or Ethernet LAN interface.
